

Friday Lunch Program 2018-2019

As a treat to our students, and to take a break from making lunches every day, L'Héritage Français offers the opportunity for our students to have a wonderful lunch served every Friday. This program has been updated to efficiently serve our students and staff looking for a healthier alternative and food choices. The meal being served can be found on the monthly school calendar. A complete list of all the meals planned, is included with the handout packet on the first day of school. Some meals may be subject to change without notice, due to some supplies not being available. The meals served rotate on an eight week interval.

If you would like your child(ren) to participate, the Friday Lunch Program will be billed separately on a September 15th invoice. Lunches must be paid for **in advance** to ensure our students are served every Friday.

This is an OPT IN or OPT OUT program. You will be invoiced once a year for the entire amount of \$200.00.

*There is no "per meal" purchase available. No refunds are given for missed lunches due to absences or other reasons.

It is important because without necessary funds, your child will not be served. Please note that with proper notice, L'Héritage Français reserves the right to cancel Friday lunches due to special events or other arising occasions. For any questions or information, please contact the school office at: **(562) 475-5039**. Bon appétit!

Friday Lunch Program 2018-2019
